

Jupiter Business Park

Plano, TX

Property Highlights

Jupiter Business Park is a state-of-the-art, dock-high and grade level, distribution project located in the Plano submarket. The property, which was developed in 1986, is strategically located at the corner of Plano Parkway and Jupiter Road. The asset consists largely of dock-high distribution space with clear heights of 18-24'. There is also a smaller grade-level flex component with a clear height of 12'. Suites range from 4,000 sf to 40,000 sf.
